### Description

Thinking of publishing an article about environmental public health? Interested in what journal editors are looking for these days? In this webinar, you will hear from three editors who will present some general ideas about what it takes to get an article published, styles and formats appropriate for environmental public health, and the possibility of special issues and supplements. This webinar will include a dedicated Q&A session.

### PEPH Webinar Series

The Partnerships for Environmental Public Health (PEPH) program established the PEPH Webinar Series to promote interactions among PEPH grantees and to increase awareness of common issues and approaches. The webinars facilitate consideration of emerging issues. While the primary audience is grantees within the PEPH Network, anyone interested in environmental public health is welcome to participate.

If you have any questions about this webinar, please contact Liam O'Fallon ([ofallon@niehs.nih.gov](mailto:ofallon@niehs.nih.gov), 919-541-7733).
